The beauty **within**

Above and beyond its sleek exterior, Essencia's inner shell has been designed to offer exceptional comfort.

Essencia's **dual row of air jets, foot rest, and armrests** let you enjoy absolute comfort, a Hydro-thermo massage® of unsurpassed quality, a singular experience.

The **inverted V backrest** and **integrated headrest** ensure a perfect massage of your neck and spine.

The **raised seat** maximizes the massage effect for your legs.

The innovative design allows the bather to choose from **three positions** and take advantage of beneficial therapies tailored to their needs. In the **stretched out** and **relaxed** positions, the bather sits on the raised seat, while in the **seated** position, the footrest can serve as a seat.
